Tires that did not require setting in thirty years—on a Studebaker

WHEELS are the life of a wagon. Hubs, spokes, felloes and tires of the best materials, put together by skilled workmen, go into every Studebaker.

What is the result? Mr. William H. Horton, of Nineveh, N. Y., writes that the tires on his thirty-six year old Studebaker farm wagon did not need resetting in thirty years—and the wagon was in use every day.

We can prove to you that this is not an exceptional Studebaker wagon. There are thousands of Studebaker wagons in use today that are forty years old and more. And that have cost their owners little or nothing for repairs.

Come in and look over our stock of Studebaker vehicles. Let us show you how well they are built.

Studebaker wagons are sound investments, every time

MRS. HENRY T. DERSCH

Dies at Her Home on West Second Street at an Early Hour This Morning Following a Linger- ing Illness of Four Months.

Mrs. Henry T. Dersch, aged 74, died at her home on West Second street this morning at 3:15 o'clock following an illness of over four months of heart trouble. Mrs. Dersch was taken ill during the latter part of the winter and since that time had been sinking slowly until the hour named above.

Mrs. Augusta Bierley Dersch was of German parentage, being born in the city of Wittenburg, Germany, March 9, 1843. At the age of five she came to America, soon after her arrival in the United States she came to Mason county, where she spent the remainder of her life.

In May, 1863, she married Mr. Henry T. Dersch of this city, who preceded her to the grave on March 1, 1913. Of this union three children survive, Miss Katie Dersch, Mrs. Robert Dawson and Mr. William Dersch, all of this city.

Mrs. Dersch also leaves three brothers and two sisters, Messrs. George and Emil Bierley of the county and Henry Bierley of this city; Mrs. Katie Hann of Portsmouth, Ohio, and Misses Maggie and Katie Bierley of this city.

Mrs. Dersch was a member of the German Lutheran Church. She was a thorough Christian woman and she loved her neighbors as herself. In every way she exemplified the Christian teachings and none were her enemies. During her long illness she bore her suffering with great fortitude and Christian spirit. Truly, a good woman has passed to her reward.

The funeral arrangements have not been made as yet, but will be announced in tomorrow's Ledger.

FROM LACK OF CARE

Reason Given by Coroner Charles Slack for the Death of Infant Child of Fannie Malone.

An application at the local hospital yesterday morning for medical aid for a sick child disclosed that the three weeks old baby of Fannie Malone, noted street character, had died. The case is a very pitiful one.

Several months ago the mother of the child came to this city. She became a street character and it was learned that she had come from Adams county, Ohio.

About a month ago she went to a houseboat on the river bank and told the inmates that she was ill. She was admitted to the home and on May 7, a child was born. She was found there by Mrs. Cora A. Peddicord, Superintendent of the City Mission, and taken to the City Alms House.

Several days ago the woman left that institution and has since been living on the streets. Yesterday morning about 10 o'clock she applied to the hospital for aid for her child, which she said was sick. Upon unwrapping the bundle in which she carried the child it was found to be dead.

Coroner Charles Slack was summoned and gave a verdict of that child dying from lack of care. He ordered the body removed to the morgue. The child was a very small one, weighing only a pound and a half. The remains will be interred today.

A SPLENDID DOG FOR RAFFLE

Hats off to two Maysville men for original raffles. Messrs. John B. Che-nault and William Lindsay have a fine—an extra fine—dog, one that must be seen to be appreciated, and the more one sees of him—the dog—the more likely will he come across with his 10 cents for a chance, and when he goes out and gets to thinking about the dog's pedigree, he will go right back and take another chance. The pedigree is too "heavy" to print, but if you will telephone either one of the above-named gentlemen they will either send you one or read it to you over the phone. From the canine's description we are fully prepared to say that the last line of the pedigree fits him exactly. Better call them up for a chance while the calling-up is good.

FINED FOR ADULTRY

Jake Knight of this city was fined \$25.50 in Police Court yesterday afternoon for adultery. He and a young girl from Fleming county were registered at one of the local hotels on Wednesday night as man and wife, they being arrested by Officer A. G. Stewart. The girl had formerly been in Maysville and had been sent home. She returned to the city and the police were instructed to find her.

The girl was turned over to Mrs. Cora A. Peddicord, Superintendent of the City Mission, who will keep her until word is received from the girl's parents near Louisville.

Mr. J. B. Russell is in Cincinnati today on business.

Wins 250-Mile Sweepstakes—Averages Better Than 102 Miles an Hour on Shurontville Speedway—Droth- er Is Second.

Cincinnati, May 30—Louis Chevrolet, traveling at an average rate of slightly better than 102 miles an hour, captured the 250-mile International sweepstakes automobile race at the Shurontville speedway today, but he was only a few seconds in front of his brother, Gaston Chevrolet. Ira Vall was less than a sixteenth of a mile behind the second man but the remainder of the field was well strung out.

For just a moment while the racers were on their 236th mile it appeared as though Gaston Chevrolet would carry off the prize, but tire trouble at the last moment forced him into the pit and he had to capitulate to his brother, who has the distinction of going through the entire race without a single stop at the pit.

Ralph De Palma looked like a strong contender for more than half the journey when he allowed Louis Chevrolet to set the pace while he followed a close second. However, soon after passing the 150-mile mark De Palma developed engine trouble and was forced out of it. Earl Cooper likewise ran into hard luck with tire trouble but managed to continue in the race and finished seventh. Tom Milton, who had been hanging fifth a mile or two of the leaders during the entire race came strong toward the end and captured the fourth position.

Otto Hennig was fifth and Eddie Hearn sixth. The race was remarkably free from serious accident, one car catching fire on the back stretch, but doing little damage outside of destroying the car. Another machine went into a fence on the far turn of the track but did no damage. Engine trouble accounted for several dropping out early in the race. Barney Oldfield finished eighth in the race. Ralph Mulford ninth, A. H. Patterson, tenth and Joe Thomas eleventh.

STAND BY THE GOVERNMENT

It is noteworthy that many people are changing their slogan to "stand by the Government." This is more exact, a more patriotic and a more democratic slogan than "Stand by the President."

Some people will ask "What's the difference?" There is a vast amount of difference. The President is not the government, even in time of war. The government is divided into three branches, named by the constitution in this order: Legislative, Executive, Judicial. "Stand by the Government," means support of all three branches of the government. Congress is the first, most powerful and most important branch. It declares war, raises revenue, makes appropriations and controls the raising of troops. The President executes the law Congress enacts. The Judicial Department passes upon the constitutionality of laws, interprets legislative acts where there is doubt, and determines controversies arising under the laws.

Some people cannot distinguish between "My country, right or wrong," and "The President, right or wrong," but there is a vast and essential difference. In a democracy the people are the nation, and the President is their servant, not their master. The folly of the slogan "Stand by the President" is manifest when one reflects upon the numerous instances in which the President has not stood by himself very long at a time. Free discussion among the people has repeatedly shown the President his error, and, after much delay, he has changed his attitude upon important problems.

"Stand by the Government" means support of the judgment of the majority of the people as expressed by the representatives in the legislative, executive and judicial branches of the government. It is not only our right but our duty to discuss legislative issues. We differed on the conscription measure, but congress enacted it and we shall unanimously support it. We shall "Stand by the Government." In pursuance of that law, the President will enlist an army, which act we shall support. We shall still "Stand by the Government."

It is not a matter of standing by Congress or the President or the courts, but "Stand by the Government." We shall give all three branches of the government the aid of public discussion, favorable or unfavorable, and when the judgment of individuals has come the judgment and act of the nation, we shall support that act and judgment. We shall "Stand by the Government."

POLICE FORCE NEEDS

FEW MEN LIKE THIS

Philadelphia, Pa.—A conductor on the Fifteenth street car line ordered his car to proceed full speed without stops when W. S. Taylor of the Majestic hotel told him that pickpockets had relieved him of his watch and chain and a wallet containing \$105.

When Taylor became cognizant of his loss he worked his way through the crowd standing in the aisle to the front of the car, and made the conductor acquainted with his loss. The latter told the motorman to run the car without stops to Fifteenth and Vine streets.

Persons who desired to get out at other streets expressed their opinions very forcibly concerning the Rapid Transit company, but the conductor refused to stop the trolley until it reached Vine street. Then he leaped out of the car, ordering the motorman to close the doors behind him so that no one could leave.

Inside of two minutes the conductor brought back Detectives Creedon, Mole, and Ferries of the Twentieth and Vine streets police station. The detectives went through the car and quickly placed under arrest two men alleged by the police to be pickpockets of international reputation.

The men arrested are Joe Stein and Ed Miller, both of New York. The men did not have in their possession the watch and wallet lost by Taylor, but the police say these articles were taken by a confederate who left the car.

RIOT IN TOLEDO

Toledo, Ohio, May 29—Two thousand persons, including militiamen, pacifists, police and citizens, were participants in a riot here tonight as the outcome of an attempt of anti-conscription speakers to address a crowd in the streets.

The outbreak occurred when a citizen's cry "Kurrat for Wilson," was answered by "Kaiser Wilson" from one of the pacifists.

Members of Troops C, M, and B, stationed at a recruiting office nearby resented the remarks and a riot resulted. Several persons were more or less seriously hurt and several arrests were made.

Mrs. Maria Powers and daughter, Miss Hettie, and Mr. Itay Burns of Ashland, are spending the day in the city with relatives and friends.

DEVASTATED FRENCH LAND BEING RESTORED

Paris, May 29—After two months of intensive work by the military and civil authorities in the district devastated by the recent German retreat a distinct improvement is beginning to be observable, says a semi-official statement today. The repair of the roads and the turning to useful account of everything not destroyed have contributed materially to changing the

aspect of the ravaged country. Even the morale of the people of the district has undergone an improvement. Civil life is gradually being resumed, trade is showing signs of revival and there is a general awakening of the agricultural and economic activities of the region.

The bringing in of seed for the farmers has permitted the planting of considerable tracts of land and the army has given assistance by lending the workers horses and harness for agricultural uses. In some parts of the devastated region the first signs of the new crops already have begun to show themselves in the soil.

Relieved After Taking Two Bottles Of Cardui, Says Tennessee Lady.

Whitwell, Tenn.—Mrs. G. P. Cartwright, of this place, writes: "About four years ago the dizzy spells got so bad that when I would start to walk I would just pretty near fall. I wasn't past doing my work, but was very much run-down."

I told my husband I thought Cardui would help me, as a lady who lived next door to me had taken a great deal, and told me to try it. This was when we were living in Kentucky.

My husband got me a bottle and I took it according to directions. It helped me so much that he went back and got me another bottle. I got a whole lot better and just quit taking it. I got over the dizzy spells... I took no other medicine at that time nor since for this trouble. No, I've never regretted taking Cardui.

I felt just fine when I finished the second bottle."

Vivian Martin in THE SPIRIT OF ROMANCE Friday at WASHINGTON

Abby Lou Hayward, a maid of all work in the antique shop of Richard Cobb, a testy old man, is merely a little drudge. Tom Cobb, his son, is an inventor and has just perfected a tea kettle which can not boil over. Joseph Snow is a grumpy old millionaire who knows his relatives are just waiting for him to die so that they can enjoy his fortune. One day in the antique shop he meets Abby Lou, breaks a vase, but she refuses to take Snow's money. That night at home, Snow, whose love of romance had prompted him to fill his house full of secret rooms, decides to pretend he is dead, conceal himself in one of the hidden rooms and there see what will happen to his wealth. He leaves all of his fortune to Abby Lou. She takes possession of the big house and believing Snow the greatest and wisest of all men, proceeds to spend his money as she thinks he would like it spent. She takes some of his relatives to live with her, induces one of them to go to work, advances money to Tom for the promotion of his invention, feeds candy to all the kids in the neighborhood and does a great deal of good, changing the money-seeking relatives into good and lovable people. When Snow, through his peep holes, sees what a great amount of good the little girl has done, he decides to come back to life and startle them all. He appears a changed man and goes on with Abby Lou's kindnesses. Tom's invention proves a success and he comes to tell Abby Lou of his gratitude. Her old love is re-kindled and everyone is happy.

PURE BRED STOCK

Raising Will Be Encouraged in Kentucky During Summer—Association Plans to Hold Meetings All Over State.

The Kentucky Pure Bred Live Stock Association will hold a series of Community Meetings throughout the state during the summer months. These meetings will start in the Pennyville the first week in June and will wind up in the mountains the first week in August.

The object of these meetings is to enlist the greatest possible number of breeders in the work of this organization. The main purposes of the State Live Stock Association are to improve the live stock conditions of the State; to encourage the production of more pure bred live stock and to establish a marketing bureau for the sale of pure bred live stock. If all the breeders band together in one association they will be enabled to maintain a publicity bureau, which will let the public know at all times what Kentucky is doing in the live stock world and what she has for sale.

At each meeting the representatives of the association will take up with the breeders the question of community breeding or the standardization of breeds in the various counties. With the world crisis which now confronts us it is incumbent upon the breeders

of every state to conserve their breeding stock. This is especially true in the pure bred line. And by all means the most intelligent and systematic way of increasing the production of pure bred stock is to standardize in each county.

The association will also undertake to hold public sales in all parts of the State. At each meeting representatives of the association will discuss with the breeders of that section the advisability of holding a public sale in that district the coming fall. It will be left to the discretion of the breeders to decide whether separate breed sales or a combination sale including several different breeds will be held.

Geoffrey Morgan and T. R. Bryant of the State Extension Department and L. B. Shropshire, Assistant Secretary of the Kentucky State Fair and Secretary of the State Association will attend all the meetings.

Maysville is one of the twenty-two selected for the meetings, the one to be held here being on July 11. Further announcements concerning it will be made later.

COMMISSIONER'S SALE

MASON CIRCUIT COURT
Carl Ward's Adm., Etc., Plaintiff,
vs.
Judgment and Order of Sale
Limestone Building Association,
Etc., Defendants.
In obedience to a Judgment and Order of Sale in the above-styled action, I will, as Master Commissioner, on

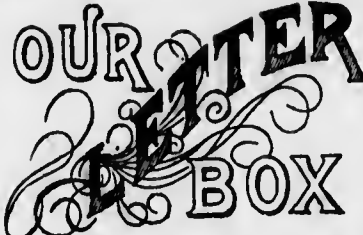

MONDAY, JUNE 4, 1917.

At 11 o'clock a. m., proceed at the Court House Door in Maysville, Kentucky, to sell, at public outcry, and to the highest and best bidder, so much of the hereinafter-described real estate as will be necessary to satisfy the judgment debt of the Limestone Building Association, amounting to \$253.50, with interest thereon at the rate of 6% per annum from March 17th, 1916, and the judgment debt of the defendant, Charles Ward, amounting to \$50, with interest thereon at the rate of 6% per annum from April 13th, 1914, together with all State, county and city taxes and assessments due, and all the costs of this action, amounting, as a whole, to approximately \$475.

Said real estate is that certain tract of land, having a frame cottage and other improvements thereon, situate, lying and being in the Sixth Ward of the City of Maysville, Kentucky, which fronts on the South side of Williams Street 25 feet, and extends back, South, 108 feet, more or less, to the center of a private alley in the rear of same; said property is bounded on the East by Chambers, on the West by the property formerly owned by Oldham, and is a part of Lot No. 136 on the plat of Chester, recorded in Deed Book 74, Page 58, Mason County Court Clerk's office; and being, in all respects, the same property conveyed to Carlissa Moore by S. B. Oldham, by deed recorded in Deed Book 96, Page 383, Mason County Court Clerk's Office.

TERMS OF SALE—Said real estate will be sold upon a credit of six (6) and twelve (12) months, in payments of equal amounts. The purchaser will be required to execute Bonds for the purchase price, with approved personal security, payable to me as Master Commissioner, and bearing 6 per cent. interest thereon from the day of sale. Said Bonds will have the force and effect of Replevin Bonds, with a lien retained thereon upon the property sold in order to secure the payment of the purchase price.

Miss Rena Mae Coryell has returned from a very pleasant visit with friends and relatives at Mayslick and Helena. The next regular meeting of the Parent-Teachers' Association will be Friday, June 8, at 7:30 p. m. An interesting program is being prepared and strawberry short-cake and strawberries with cream will be served. Every one is cordially invited.

Among the many visitors from a distance here for the dedication were noticed Dr. J. S. Locke, Director of Mason County Survey, Dr. J. N. McCormick, State Sanitary Inspector, Prof. Thomas Frye and wife of Vanceburg, Prof. W. P. King of Newport, Miss Casey, Mason County Health Nurse, Mr. C. F. Owens of Washington, John Eitel, W. H. Worthington and Mr. and Mrs. Calhoun of Maysville. E. F. Boyd, Mason County Agricultural Agent, Prof. C. P. Turnipseed and wife of Orangeburg, L. H. Harrison and wife of Trinity, Lewis county, Miss Allie King, Miss Fanny Tugzie, Miss Edith Davis and Mr. Claybrook of the Washington School, Mr. Alex Casey, former County Agent.

The exercises with which our new High School building was dedicated on May 18th, were very satisfactory indeed. The weather was ideal and the immense crowd of well wishers, thoroughly enjoyed the well prepared program.

The young principal, Prof. Nichol and his efficient assistants, Misses Maud Moody and Minnie Crawford have evidently been very busy the past year to have trained to success this large number of students.

The various numbers on the program were all of such a high degree of excellence that it is hard to select any special number for praise. The splendid entertainment provided by the Primary and Intermediate grades on Thursday night was of exceptional quality, as were also the graduating exercises of the Eighth Grade pupils, eighteen in number.

The speakers Prof. W. P. King of Newport, Prof. Thomas Frye of Vanceburg, Dr. J. L. Locke, Director of Mason County Sanitary Survey, Dr. J. M. McCormick, State Sanitary Inspector, Mr. Calhoun of Maysville and Miss Casey, the Health Nurse, all had a message full of interest, while the Class Play, "The Corner of the Campus," presented by the High School pupils was very much enjoyed.

The bountiful lunch served by the ladies of the Parent-Teacher Association, enabled the visitors to spend the entire day and miss no part of the exercises.

The good will of the patrons and friends of the school was proven when it was found that the building was freed from all indebtedness when the event was over.

Miss Beulah Ginn, Mr. Stanley Jacobs and Mr. George Hunt are visiting in Portsmouth, Ohio, today.

WOULD CONNECT CHICAGO WITH NEW YORK

The Type Used in One Year to Publish Endorsements of Doan's Kidney Pills.

Of the many kidney remedies on the market today, none other is recommended like Doan's Kidney Pills. Forty thousand benefited people gladly testify in the newspapers of their own towns. Forty-five hundred American newspapers publish this home proof of Doan's merit. The type used in one year to tell this wonderful story would make a solid column of metal twice as high as the world's highest mountain. Placed end to end the lines of type would reach from New York to Chicago. These miles of good words told by 40,000 tongues sound glad tidings to any Maysville sufferer who wants relief from kidney and bladder ills. Here's a Maysville case. Don't experiment. Use the remedy endorsed by people you know.

John J. Bramel, bookkeeper, Walnut street, Maysville, says: "Doan's Kidney Pills have been of great benefit to me and in fact, I attribute fourteen years of my life to them. It was in 1902 that I was suffering a great deal. After long use of Doan's Kidney Pills, I became well and had no bad effects for many years. Recently, however, I noticed my kidneys were not acting right and my system was generally weak. I knew it was a return of the trouble and I didn't lose any time in getting a box of Doan's Kidney Pills at Chaslor's Drug Store. They again gave me the same good results and I consider them a wonderful medicine."

Mr. Bramel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the name that Mr. Bramel had—the remedy backed by home testimony. See all stores. Foster-McMillan Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

KENTUCKY'S CALL

Oh! brave sons of old Kentucky. Come now, let's show our vim and pluck,

And win for old Ky. a name; That will never bring her a bit of shame.

Our forefathers fought through a terrible strain, And left us a union with a faultless name.

Come now, let's let her brave name stand, At the end of war that is now at hand.

Twenty thousand men is our first call. So let's not let her brave name fall. Hark! I hear my country call now men.

So good-bye, good luck, farewell, Amen!

Written by Jess Gray of the county a few minutes before enlistment here.

Price Advance

Competitors have circulated a report that the Ford has advanced \$100.00. This is emphatically untrue and is done merely to help them sell an inferior car for more money. However, I am expecting every day to receive notice to advance the price. All orders are being taken with the privilege of cancellation if price advances. The company has notified me to mail all orders the same day they are placed. It is my opinion that all orders will be filled at present prices if orders are placed at once, but you should not delay the matter a single day. Place your order today and play "safety first."

WOMEN SUPPLANT MEN

Amsterdam, Netherlands, May 29—There are more women than men workers in the German empire, according to the latest official figures. Sixty benefit membership lists show that approximately 4,000,000 women workers are on the lists, or about 11,000 more than men the latter totals including 700,000 war prisoners who are working for the government in various capacities within Germany. Women applicants for employment continue in excess of positions open.

A FRIEND'S ADVICE

Woman Saved From a Serious Surgical Operation.

Louisville, Ky.—"For four years I suffered from female troubles, headaches, and nervousness. I could not sleep, had no appetite and it hurt me to walk. If I tried to do any work, I would have to lie down before it was finished. The doctors said I would have to be operated on and I simply broke down. A friend advised me to try Lydia E. Pinkham's Vegetable Compound, and the result is I feel like a new woman. I am well and strong, do all my own house work and have an eight pound baby girl. I know Lydia E. Pinkham's Vegetable Compound saved me from an operation which every woman dreads."—Mrs. NELLIE FISBACK, 1521 Christy Ave., Louisville, Ky.

Everyone naturally dreads the surgeon's knife. Sometimes nothing else will do, but many times Lydia E. Pinkham's Vegetable Compound has saved the patient and made an operation unnecessary.

If you have any symptom about which you would like to know, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free.

DECORATION DAY

Decoration Day passed very quietly in Maysville yesterday. The banks were closed, as well as the schools. Only one delivery of city mail and none of county mail. Many persons visited the cemetery to lay flowers on the graves of departed dear ones.

OUR COLORED CITIZENS

We wish to thank our many friends, both white and colored for the many kindnesses shown us during the illness of our dear mother and grandmother, Sarah Braxton. Also the friends and societies for the beautiful floral offerings and the Rev. J. W. Walker and the Rev. R. Jackson for the consoling words spoken in our sad hour of bereavement.

THE FAMILY

All of the colored people of the county are invited to be present at Scott M. E. Church tonight at 8:00 o'clock, when they will be addressed by members of the United States Public Health Service in regard to the work of the Sanitary Survey now in progress in Mason county. The members of the survey party want the full co-operation of the colored people of the county and to this end they are invited to be present tonight to hear these men.

Farm For Sale

As executor of Mrs. Mary Eliza Caldwell, deceased, on

THURSDAY, JUNE 7, 1917,

at 2 p. m. on the premises, I will sell at public auction the farm owned by her at her death, known as the John L. Caldwell farm, now in possession of Harry Burke as tenant under a term to expire March 1, 1918. This farm is located about two miles West of Maysville, on the dirt road leading from Maysville and Sardis Turnpike to what is known as the Raymond Pike. It adjoins the lands of Mrs. Mattie Raymond, J. H. Peed's heirs, Mrs. R. P. Hopper, Mrs. Susan W. Rees and Mrs. Styles and contains about 200 acres. It has on it a large tobacco barn, small cabin, stable and other outbuildings. The principal residence was recently burned down. Full possession will be given on March 1, 1918, as it is already rented until then. The purchaser will be given privilege of seeding during the coming fall.

TERMS OF SALE—One third cash, balance in two equal payments due in one and two years with interest from day of sale at the rate of six per cent per annum payable annually, with privilege to the purchaser of paying all or any more than one-third in cash.
J. F. HARRISON,
Executor of Mrs. Mary Eliza Caldwell, Deceased.

NATIONAL DEFENSE COUNCIL

Of the Ninth District of Kentucky Will Meet in Maysville This Afternoon at 2 O'clock.

A call has been issued by the committee at large of the Ninth District of the Kentucky National Defense Council for a meeting to be held in Maysville this afternoon at 2 o'clock. The members of the committee at large are George H. Martin of Chatterburg, W. D. Cochran of Maysville and S. R. Collier.

A committee of three men from each county in Kentucky and a committee of three men at large in each district has been named by Governor Stanley some several weeks ago. This is the first meeting of the committees of the district together although practically all of them have held meetings in the counties from which they were named.

The committeemen from this county are Messrs. H. C. Curran, John W. Boudin and Clarence Mathews. Mr. Curran was appointed as chairman of the committee by the Governor.

At the meeting this afternoon the committee of the entire district will be organized. Other business will be to consider and perfect plans for the encouragement of registration and enlistment; to further the sale of Liberty Bonds; and to prepare plans for food conservation.

The meeting is being held with the view of making the Kentucky Council an effective aid to the National Council.

Mr. H. M. Clark of the E. L. Manchester Produce Co., has gone to Fall River, Mass., to spend several days with Mr. Manchester, who is very ill at that place.

RAISING WAR FUNDS

Our nation has undertaken a great task. The war must be won. The Central Empires of Europe have now more soldiers in their armies than at any time since the war began. Their financial and industrial machinery is better organized than ever before.

This country is not going to fight the war with dollars only, but it cannot fight the war without dollars—without the two billions now asked for and without a good many more billions before the job is finished.

In relation to the total amount that the government must have for the purpose of prosecuting the war successfully, two billion dollars is not a large amount. But it is the largest sum of money ever asked for at one time in this country.

If one million persons subscribe to this amount they will have to give \$2,000 each.

If five millions contribute they will have to give \$400 each. It will require an average of \$200 from each of ten million persons to make up the total amount. The government needs twenty dollars from practically every man, woman and child in this country.

There were 5,250,000 subscribers to the last German loan. Great as the amount asked for is, it would not pay England's war expenses for two months.

It is of vital importance to the country that the general public buy the war bonds. The loan will be a success or a partial success in exact proportion to the number of bonds bought by the public. On June 15 next if half the bonds are owned by banks the loan will not be a success.

Think this over. Do your bit. We will gladly handle your subscription without cost to you or to the government and without profit to ourselves.
